

Welcome to the team as

Intern in Market Risk & BUC for Equity Markets & Commodities (m/f/d)

- Strategie/Analyse
- Frankfurt am Main
- Limited
- 07/01/2019

Task

The department Market Risk & Business Unit Control - EMC (Equity Markets and Commodities) is performing the Market Risk and P&L Reporting for trading products focused on Equity and Commodity instruments. In addition to the daily analysis of risk and P&L, regulatory and front office requirements are implemented. During your internship you will participate in producing, analyzing and developing relevant risk and P&L reports as well as contribute to projects. The internship will offer you the opportunity to gain insight into a central function for Group Market Risk Management as well as a direct contact to the front office derivatives traders

Profile

- Currently studying towards a bachelor or master degree in economics, mathematics or highly numeric subject
- Thorough understanding of financial products
- Candidates should have strong analytical skills
- VBA and SQL knowledge would be an advantage
- Distinct communication and team capabilities
- Business fluent English is mandatory

Benefits

- Flexible work
- Health and fitness services
- Personnel development

The Company

Commerzbank is, with its approximately 50.000 employees, a leading international commercial bank with branches and offices in almost 50 countries. With the two business segments Private and Small-Business Customers, as well as Corporate Clients, the Bank offers a comprehensive portfolio of financial services to its clients. We offer a diverse, inspiring work environment and excellent career opportunities within a first class team. Work life balance has high priority for us and of course we know the importance of an attractive salary for a good job.

Contact
