

Join the HeavenHR team!

Senior Frontend Software Developer | React JS / Typescript f/m/x - Full-time contract | Remote

We're a fast-growing Berlin-based HR-tech software company. Our mission is to provide the only software, businesses need to manage their human resources. Our goal is to help companies save time and focus on what they do best. We connect all separate HR processes into a single and easy-to-use platform and help HR managers and supervisors in their daily office life. To date more than 1,300 customers use our innovative product.

We're looking for an experienced, smart and motivated Senior Frontend Software Developer f/m/x to join our team. You have experience with React.js and/or Typescript.

Location: Anywhere in Germany or open to relocating from abroad

What you'll do:

- Write and test high-quality, maintainable code
- Scope, design and own project delivery
- Ensure accessibility, usability and performance of our application
- Collaborate well with others, be a great teammate
- Be ready to adapt and pitch in on other projects as needed
- Build an excellent product on a technical and qualitative level
- Optimise website responsiveness for mobile and tablet
- Partner with our management, developers, product managers and other stakeholders

About You:

- Bachelor's and/or Master's in Computer Science or a similar technical field of study

- You are experienced in building web applications and have ideally worked on similar projects in the past
- Very good JavaScript knowledge, in particular React JS and Typescript
- Experience with modern web architectures and server side rendering
- Working experience in CI/CD is a plus
- You are solution oriented, adaptable to change, and have a strong sense ownership
- Passionate about HR and creating a platform that automizes workflows
- Working proficiency and communication skills in verbal and written English

Why join our team?

- Opportunity to build a great HR software that our customers love
- Regular virtual meetings and feedback sessions
- Clever, diverse, motivated team that loves geeking out about the latest tech
- Mac or Linux? It's your choice!
- Weekly learning sessions
- Competitive salary
- A range of great employee benefits, including a company supported retirement plan
- Freedom to work remotely at a location of your choice in Germany

Sounds like a good fit?
